7 THE CHAIRMAN: Delegate Chabot.

8 DELEGATE CHABOT: Well, would this power of
9 the General Assembly be just as broad if the entire last
10 clause on line 7 and 8 were deleted?

11 THE CHAIRMAN: Delegate Case.

12 DELEGATE CASE: I think I should have to say
13 that the answer to that is yes, in my judgment it would be
14 just as broad, but if it wanted to act positively, as a
15 matter of fact it would be even broader because if the
16 last sentence were deleted, then while classification is
17 mandated in the section, classification, some classification
18 for farm use is not mandated, so that the General Assembly,
19 if the last sentence were deleted, could completely
20 ignore the farm, completely ignore it.

21 THE CHAIRMAN: Delegate Chabot.
